

# PRIVATE VINEYARD TOUR with Barbecue Lunch or Supper

*£55 per person, available for minimum 20 guests*

Host a private tour & tasting and barbecue party in one of the most beautiful vineyards in West Sussex.

The arrangements and timings can be tailored to your own requirements but we would suggest:

We begin on the viewing platform enjoying the stunning views of the South Downs, with tea, coffee and Bridget Gladwin's homemade cakes or an initial glass of Nutbourne wine. \*

Your guests will be introduced to Nutbourne, then taken on a beautiful, informative walk through the vines, wild flowers and down to the lakeside to meet the alpacas.

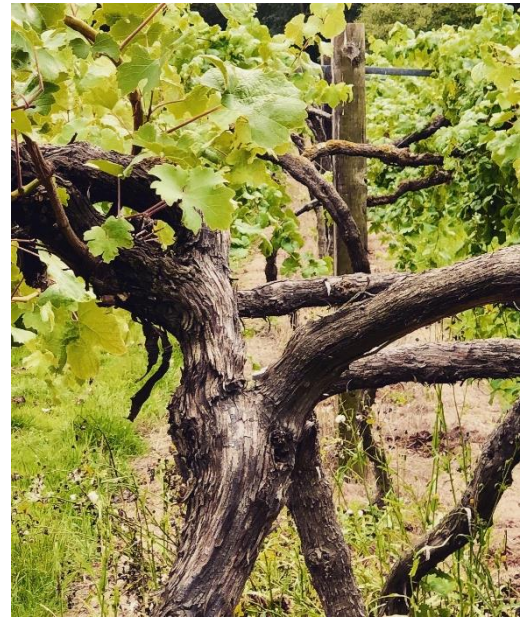

We will return to the winery for a refreshing glass of sparkling, where each step of the wine making process will be explained.

Guests are then seated at the beautiful oak tables in the Wine Lodge and the BBQ will be served. Delicious food will be cooked in our outdoor kitchen on vinewood fires and accompanied by a tasting of our award winning wines.

Background music can be provided whilst your guests mingle and relax in this unique vineyard setting.
